

Dear Community Member,

The 2025 Jean Lafitte Seafood Festival is back. In these past years, our seafood industry, as well as our entire community, has taken a huge hit and the time is now to support our local fishermen.

The Jean Lafitte Seafood Festival is actively seeking members and/or businesses in our community willing to help support the events and activities for the Jean Lafitte Seafood Festival. This year's fair will be held May 30th – June 1st. We are excited to add some new events, along with welcoming back old traditions.

The Town of Jean Lafitte has been working to improve the event to better serve its residents and visitors. All donations are put toward fairgrounds improvements or entertainment during the fair. We are happy to speak with you about Event and Custom Sponsorship availability.

In keeping with the traditions of the past fairs and looking to the exciting opportunities for future fairs, we are asking for your support to continue this tradition along with fun, family events supporting the Festival.

Thank You,

Timothy P. Kerner, Jr.
Mayor, Town of Jean Lafitte
